**COMMUNITY NEWS FOR IMMEDIATE RELEASE**

## **Top Tiki Huts**

### *Contest Winners Announced*

The winners of the Tiki Hut Decorating Contest have been announced after the judges made some tough decisions.

“It was so hard to choose winners,” said Lynn Weringa, one of the members of the Algona RAGBRAI Executive Committee. “I couldn’t believe what people came up with! It’s amazing that everyone was given the same tiki hut at the start, and once they were decorated no two were the same.”

Congratulations to those who took the top prizes – Security State Bank stole first place with their design, and won an Algona RAGBRAI t-shirt and \$10 in Chamber Bucks. Second place went to Citizens Community Credit Union, and Northwest Bank earned third. Both won \$5 in Chamber Bucks.

“Thank you so much to all the people and organizations who entered,” said Weringa. “You did a spectacular job! The tiki huts definitely add some tropical feel to our oasis.”

For the past week, the winning tiki huts were displayed on the corner of State and Jones Streets. Now, they can be seen along State Street with the rest of the entries so the riders can enjoy them when they Discover Our Oasis on July 24.
